

Wednesday, May 20, 2009 from 2-4pm

You are invited to attend the Samsung Mobile Experience Tour stopping at Intellinetics

Intellinetics is proud to host the Samsung Mobile Experience, and would like to invite you to come take a take a tour of the RV that showcases affordable printing solutions for business. Also featured on the RV, Intellivue™, Intellinetics document management software.

Intellinetics and Samsung experts will be on hand to answer any questions you may have about the hardware and technology. Refreshments will be provided for everyone who stops by.

This is a great way to come see a wide variety of Samsung single-function and multifunction printers in action! As a bonus, a 46-inch Samsung TV will be awarded in a monthly drawing to select customers who complete an online survey. This will be a worthwhile event for all who attend.

Whether you can join us for 15 minutes or an hour, we would love to have you see the latest in Samsung printer technology.

Please register by contacting Kristin Craig at 614-921-8170 or kcraig@intellinetics.com so that we know to expect you. We hope you can join us for refreshments and discussion on the latest Samsung printer technology, plus the chance to win a 46" LCD TV from Samsung!

Where: Intellinetics
2190 Dividend Drive
Columbus, OH 43228

When: Wednesday, May 20th
2-4pm
